## **IMPORTANT GROWER SURVEY**

**The right information = Better business decisions**

**A survey to help us support you**

In business today, good and timely information equals better business decisions. The right information, delivered in the right way, at the right time can have a significant impact on profits.

The Citrus industry, in conjunction with Horticulture Australia, is reviewing how we provide information to businesses in the industry – to ensure we are delivering what you need to know, on time and in the best way.

**So please take a few minutes to complete the survey online.**

Most of the questions just require ticks so it should take you only 10-15 minutes at the most.

To complete the survey online, please complete the survey by emailing [devos.avalon@gmail.com](mailto:devos.avalon@gmail.com) (with 'Citrus Survey Link' in the subject line) and they will send you a link to the survey;
